## Stallholder Map

### Thursday 21 – Sunday 24 November

#### Public opening hours

Thursday 21 November, 10am – 5pm  
& VIP evening, 6pm – 8pm: all stallholders are asked to attend the VIP evening.  
Friday 22 November, 10am – 5pm  
Saturday 23 November, 10am – 5pm  
Sunday 24 November, 10am – 4pm

All materials including all rubbish must be cleared away by 6pm on Sunday 24 November.

#### Load in & Load out

We will be open for set up from 12 midday until 6pm on Wednesday 20 November (we would like to lock up at 6pm sharp) and from 6.30am on the morning of Thursday 21 November.

The event will open to the public at 10am on the 21 November.

Entry is through a normal sized single front door where we have no facilities to accept pallets, lorries and large refrigerators.

Access to the site is level but involves a short stretch of gravel, sack trucks and trolleys with larger wheels cope better.

Entry will be via 66 Royal Hospital Road (East Gate) and the West Gate also on Royal Hospital Road. You will be advised of your allotted entry point before the event. Each stall has a 30 minute slot to load in, so please arrive on time.

Load out usually runs smoothly, but the Garden team will be focusing on clearing the Fair and 'breaking down' the marquee, so do ensure you have enough of your own 'manpower' to remove your stock and display equipment. We would like the site clear by 7pm. Exit will be via the doors on Royal Hospital Road.

#### Parking

The event takes place in our beautiful 4-acre garden just off Cheyne walk. Cheyne walk is one of the most expensive residential areas of London and as such there is hardly any street parking on either the Wednesday, Thursday, Friday or the Saturday and only a small amount on Sunday.

Please look on the RBKC web site for parking restrictions.

For Wednesday, Thursday, Friday and Saturday we advise you unload and then drive over the Albert Bridge and park in Battersea Park. Please look on the Wandsworth Borough Council Website for more details.

This is a half hour process so please allow enough time.

#### Refuse

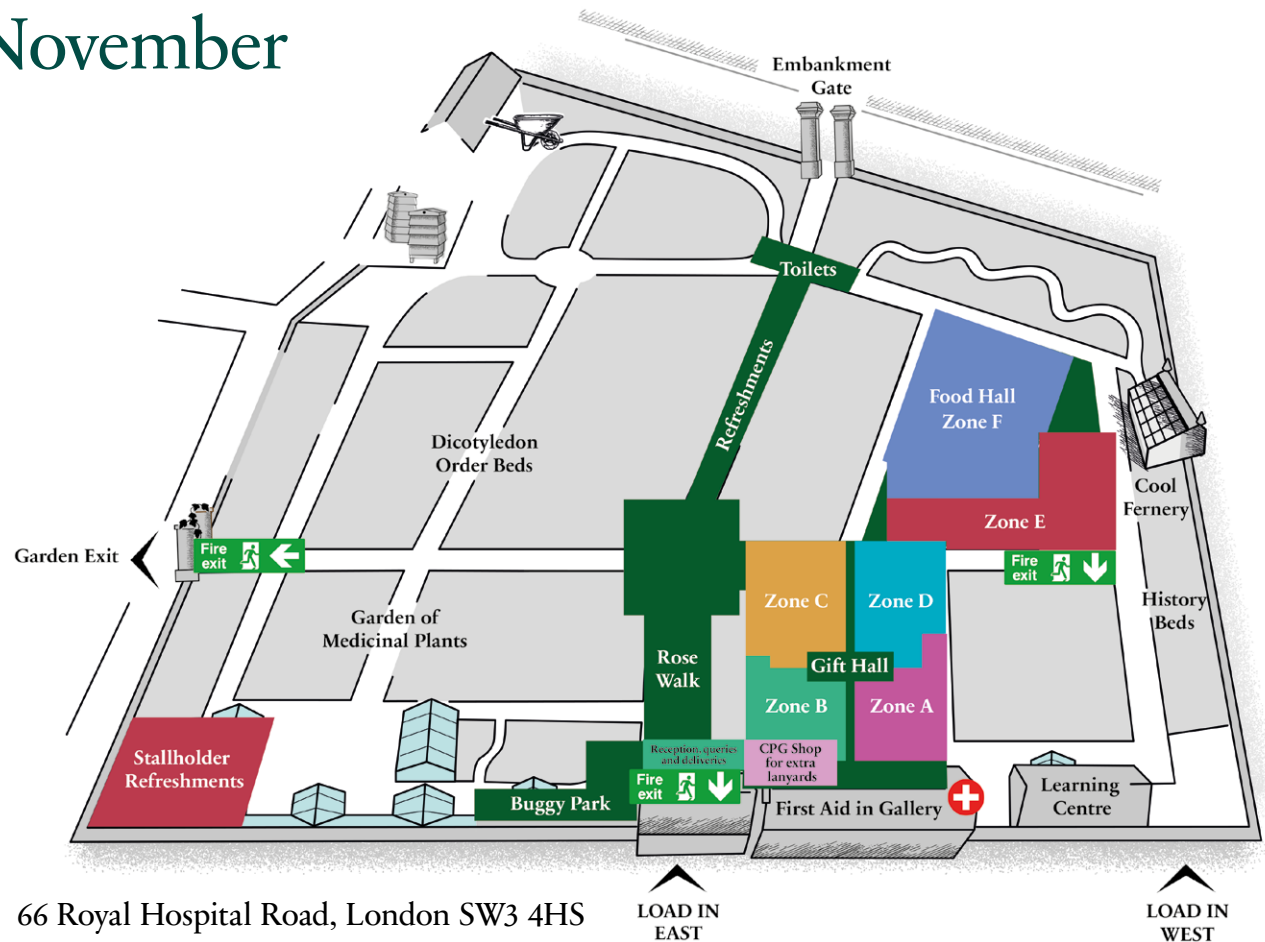

Please take all rubbish home with you ensuring that you bring your own bin bags for this purpose.

If you leave any rubbish behind, you will not be asked to attend the fair in the future.

No rubbish of any kind can be placed within the Garden's bin store.
